KINWELL MEDICAL GROUP INTRODUCES PRIMARY CARE CLINIC IN LYNNWOOD TODAY

LYNNWOOD, Wash. (April. 14, 2022) — Kinwell, a new approach to primary care in Washington, has opened its newest location in Lynnwood today. The clinic has eight patient suites designed for patient comfort, blending the best in modern technology with thoughtful details to create a welcoming guest experience. Conveniently located at 197th & Highway 99, the Lynnwood location will serve neighboring communities of Edmonds and Mountlake Terrace as well. Designed by Seattle based architectural firm Ankrom Moisan and Swinterton builders, the clinic is refreshingly modern, using local art and a color palette reflecting the Puget Sound region.

The new Lynnwood location follows other recent Kinwell clinic openings in Renton and Pasco as part of a larger strategy to address the growing primary care crisis affecting communities across Washington. Additional clinic openings are slated for Western Washington throughout this summer.

“Our goal at Kinwell is to bring a new standard of primary care by developing a genuine experience between our patients and our healthcare team,” said Dr. Mia Wise, president of Kinwell Medical Group. “We want to break down barriers between patients and our care team, creating a family connection between us and them. Our approach focuses on enhancing overall wellbeing through diet, fitness, and behavioral health, and we are excited to bring Kinwell to Lynnwood.”

Kinwell clinics offer in-person and telehealth visits, online appointment scheduling, and reduced wait times. Expanded primary care services will treat everyday ailments like a sprained wrist or upset stomach, as well as manage chronic conditions such as diabetes and depression. Kinwell patients will have free access to the Kinwell MyChart app where they can make appointments, manage billing, and contact their healthcare team.

Kinwell’s Lynnwood clinic is located at 19723 Hwy 99 Suite G Lynnwood, WA. Patients can schedule a visit online at KinwellHealth.com, or by calling 833-411-Kinwell.

About Kinwell

Launched in 2021, Kinwell Medical Group is an exclusive primary care option for those insured by Premera Blue Cross, Premera Blue Cross Medicare plans, LifeWise Health Plan of Washington, and Bluecard holders. We are opening clinics across Washington state and elevating the primary care experience with more time, less complexity, and a better relationship between each patient and their healthcare team.

Kinwell embraces a whole-health approach to primary care that includes diet, fitness, and behavioral health. We are also dedicated to building great places to work, where diverse ideas and cultures focus on the common goal of nurturing patient health.
